Professional Summary

Founder of a 450+ player sports enterprise and President of a 200+ member investment society, backed by five legal and market-research internships and 15,000 vaccination records managed for an NGO. Combines structured problem solving, market and competitive research, financial modelling and regulatory analysis to turn research into decision-ready recommendations for FoCoS and consulting roles.

Experience

SLYTHERIN SPORTS - O.P. JINDAL GLOBAL UNIVERSITY

2022 - 2026

Operations, Growth & Sponsorship

Founder

- Founded and ran a 450+ player sports enterprise across multiple JGU leagues, building roster, sponsor and scheduling operations from zero.
- Secured and managed sponsors, sustaining renewals across league seasons by aligning sponsors, players and university bodies.
- Coordinated rosters and league operations across multiple teams, scaling to 450+ players with consistent planning and execution.

FINANCIAL LITERACY SOCIETY (Investment Society)

2023 - 2025

Programme Delivery & Stakeholder Management

President, O.P. Jindal Global University

- Led a 200+ member investment society, coordinating internal teams, university stakeholders and external sponsors.
- Ran financial-literacy events, mock funds and investment case competitions for all 200+ society members.
- Built partnerships with university bodies and external sponsors to deliver the society's structured finance programmes.
